SUBJECT: GOE INCLINED TO SUPPORT INDIGENOUS DECLARATION

REF: A. SECSTATE 169257  
[1](#)B. QUITO 1386

[1](#)1. (SBU) PolOff presented Ref A points and non-papers to Augusto Saa, Director of Human Rights and Social and Environmental issues at the MFA, on October 12, emphasizing the USG view that the Chair's draft UN Declaration on the Rights of Indigenous Peoples is fundamentally flawed.

[1](#)2. (SBU) Saa responded that the GOE continues to support the draft Declaration, but has advised its UN mission not to push any sensitive issues and would share USG concerns regarding the declaration with them. He agreed that more discussion of the declaration would be necessary before a final vote, and said Ecuador would consult with others who are in favor while remaining open to arguments from those who oppose it. Saa emphasized it would be difficult for Ecuador to actively oppose the draft, citing political realities here, including the current electoral climate and the support for the Declaration from Ecuadorian indigenous groups.
